

Cutting Instructions for Small Twinkle Star and Floating Star

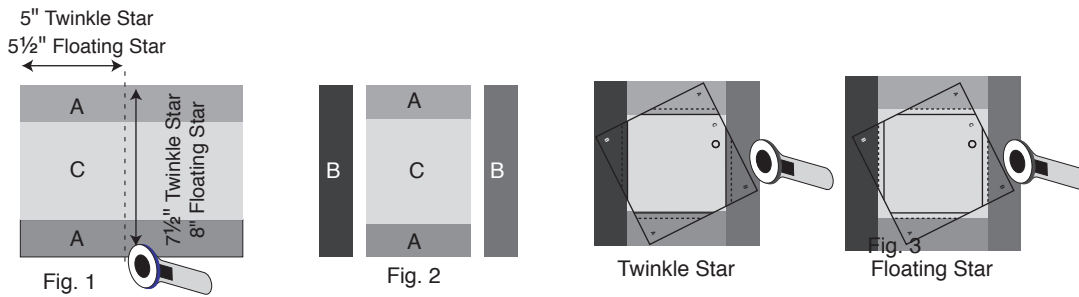

The difference between the two stars becomes evident when making multiple blocks. The Twinkle Star points will touch. The Floating Star points will have about 1/2" of space between the points. Use high contrast – dark, medium and light fabrics. NOTE: Accurate 1/4" seam allowances are essential. Make a test block.

Twinkle Star:

- 1) Cut 1 3/4" strips for 'A' & 'B' star points and 5" strip for 'C' center.
- 2) Stitch 'A' strips to opposite sides of 'C' strip. Fig. 1
- 3) Cut 5" wide segments from strip set. Fig. 1.
- 4) Trim 'B' strips to 1 3/4" x 7 1/2" and stitch to opposite sides of segments cut in step 3. Fig. 2.
- 5) Align solid lines of ruler with seams of block. Fig. 3 left.
- 6) Cut on outside edge of ruler.
